

The Philological Foundation

Criteria for Applications from Schools

1. Schools must be community or voluntary schools or academies or free schools within the meaning of the Education Acts 1944 to 2011 situated either in the London Borough of Camden or the City of Westminster.
2. Applications must be for special benefits. The Foundation will not fund such items as staff costs, building maintenance or text books. The school must demonstrate the educational benefit of the expenditure to the pupils at the school.
3. Only one application per academic year will be considered.
4. Retrospective applications will not be considered.
5. Applications must be received at least three months before the proposed expenditure.
6. Applicants must provide evidence of proposed expenditure such as a current price list for any equipment, travel and documents showing evidence of the school contribution to any expenditure.
7. Trustees encourage applications to be made to other charities.
